

The screenshot shows a SQLite IDE interface. On the left, a file named 'main.sql' contains the following SQL code:

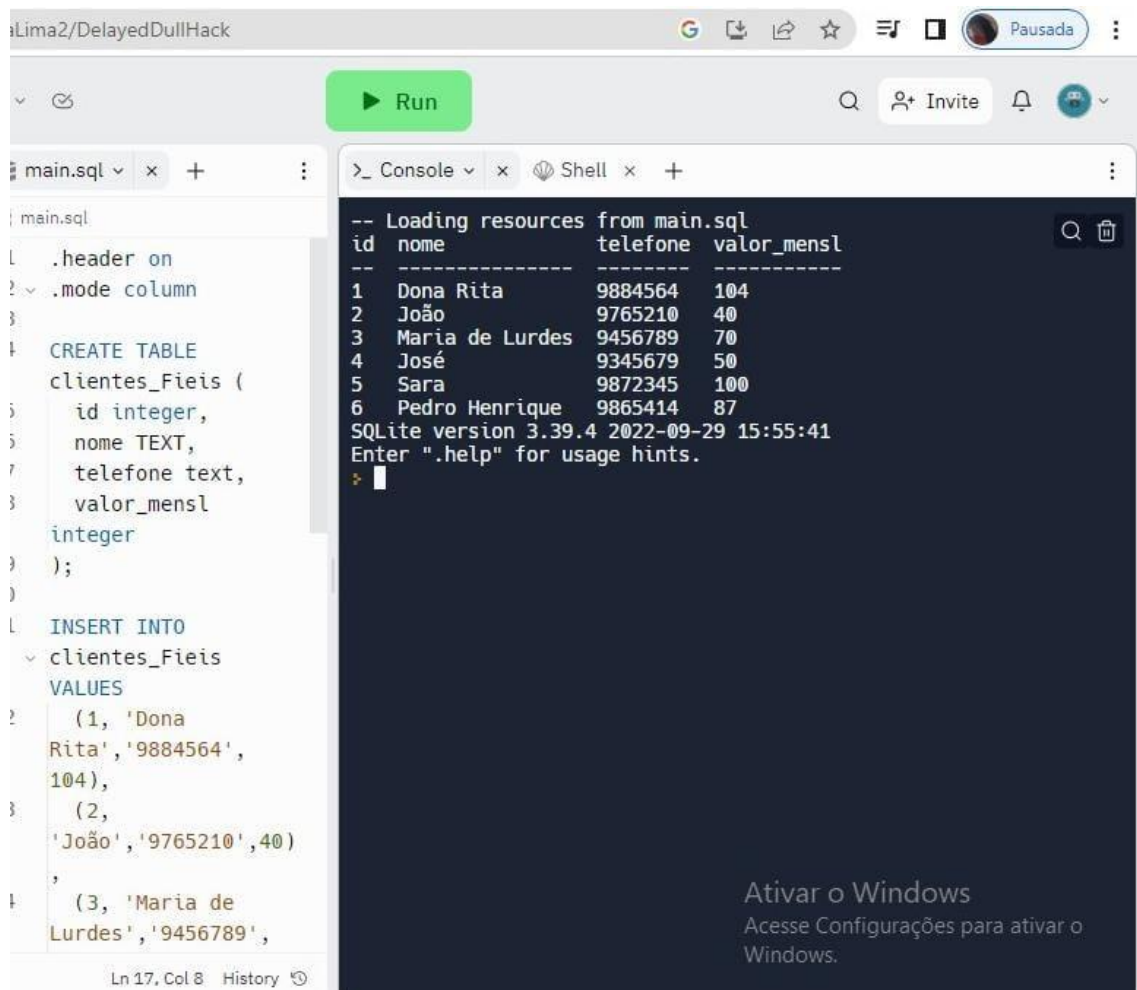

```
1 .header on
2 .mode column
3
4 CREATE TABLE clientes_Fieis (
5     id integer,
6     nome TEXT,
7     telefone text,
8     valor_mensl integer
9 );
10
11 INSERT INTO clientes_Fieis VALUES
12     (1, 'Dona Rita', '9884564', 104),
13     (2, 'João', '9765210', 40),
14     (3, 'Maria de Lurdes', '9456789', 70),
15     (4, 'José', '9345679', 50),
16     (5, 'Sara', '9872345', 100),
17     (6, 'Pedro Henrique', '9865414', 87);
18
19
20 select * from clientes_Fieis;
```

On the right, the 'Console' tab displays the output of the SQL execution:

```
-- Loading resources from main.sql
id  nome          telefone      valor_mer...
--  -
1   Dona Rita    9884564      104
2   João        9765210      40
3   Maria de Lurdes 9456789      70
4   José        9345679      50
5   Sara        9872345      100
6   Pedro Henrique 9865414      87
SQLite version 3.39.4 2022-09-29 15:55:41
Enter ".help" for usage hints.
```

At the bottom of the console, there is a Windows notification: 'Ativar o Windows. Acesse Configurações para ativar o Windows.'

Visualização da tabela e código.

The screenshot shows a SQLite IDE interface. On the left, a file named 'main.sql' is open, containing the following SQL code:

```
.header on
.mode column
CREATE TABLE
clientes_Fieis (
  id integer,
  nome TEXT,
  telefone text,
  valor_mensl
integer
);
INSERT INTO
clientes_Fieis
VALUES
(1, 'Dona
Rita', '9884564',
104),
(2,
'João', '9765210', 40)
,
(3, 'Maria de
Lurdes', '9456789',
```

On the right, the 'Console' window displays the output of the SQL script:

```
-- Loading resources from main.sql
id  nome      telefone  valor_mensl
--  -
1   Dona Rita  9884564   104
2   João      9765210   40
3   Maria de Lurdes  9456789   70
4   José      9345679   50
5   Sara      9872345   100
6   Pedro Henrique  9865414   87
SQLite version 3.39.4 2022-09-29 15:55:41
Enter ".help" for usage hints.
```

The console output shows a table with 6 rows and 4 columns: id, nome, telefone, and valor\_mensl. The data is as follows:

id	nome	telefone	valor_mensl
1	Dona Rita	9884564	104
2	João	9765210	40
3	Maria de Lurdes	9456789	70
4	José	9345679	50
5	Sara	9872345	100
6	Pedro Henrique	9865414	87

At the bottom right of the console window, there is a message: 'Ativar o Windows. Acesse Configurações para ativar o Windows.'
